Representations were received from the Auroville Community expressing concern over “Tendering of USUFRUCTS” in apprehension that Food/Fruit produced at Auroville farms would not be available to the community, in the event of disposal of the same by the Lessor in open market outside Auroville.

2. This matter was deliberated and discussed at various levels with the representatives of Working Committee, PTDC and Farmers etc. Considering the representations and concern of the Auroville Residents, the Tender committee with the approval of Competent Authority brings out the following addendum.
