*Noting* that the General Conference of UNESCO unanimously adopted resolutions of support to Auroville in 1966, 1968, 1970 and 1983, inviting Member States and international non-governmental organizations to participate in the development of Auroville as an international cultural township designed to bring together the values of different cultures and civilizations in a harmonious environment with integrated living standards that correspond to people's physical and spiritual needs,

*Recognizing* that the aims of Auroville are to promote international understanding, peace, innovative education, a learning society and all-round material and spiritual development for harmonious individual and collective growth, and that such aims contribute to the advancement of the objectives of UNESCO, especially dialogue among civilizations, cultures and religions, cultural diversity and culture as a factor for development,

*Appreciating* that the Government of India passed, in 1988, the Auroville Foundation Act for the purpose of protecting and encouraging the development of Auroville,
